Benza S.A.S.
Via Giovanni Pascoli, 163
18038 Sanremo (IM)

Italy

Dear sirs,

We herewith confirm the Genaflex foil is a foil for the using of lagoon foil and is fish and plant friendly.

Best regards,

Myriam van Elten

Sales department.

A handwritten signature in blue ink, appearing to read "Myriam van Elten", is written over the printed name and department.
