

Technical Datasheet

Genatex® 700

| Data | Norms | Units | Specification |
|---------------------------|--------------|---------------------|---------------------------|
| Material | | | PP tape woven |
| Color | | | black |
| Weight | ISO 3801 | gr/m ² | 190 ±5% |
| Tensile strength (L/T) | ISO 13934-1 | kN/m | 35/30 |
| Elongation at break (L/T) | ISO 13934-1 | % | 10-18/8-15 |
| Water permeability | EN ISO 11058 | l/m ² /s | 28 (-5) |
| UV-stability | | | 7 years for Middle Europe |
